

Operating and Installation Instructions

Universal Frame SR-1000/S

DESCRIPTION

The SR-1000/S is a two (2) slot wall mountable desk chassis that accepts all Meridian Technologies' card units.

POWER SUPPLY

The SR-1000/S includes a desk model 40W switching power supply (PS-100) which connects on a rear of the unit via 5-Pin DIN connector. A separate AC line cord also supplied.

INSTALLATION

The unit must be installed on a vertical surface to allow maximum ventilation top to bottom of the card units. There are four mounting holes for hardware # 8 (maximum). Two knurled captive screws mount the card in each slot. Power is distributed by a mother PCB in the rear of unit.
