Meridian Technologies adds a Northeast manufacturer's representative to its growing sales network with the signing of T.H. Grogan & Associates.

Elmont, NY, November 30, 2010 – Meridian Technologies, a premier manufacturer of fiber optic video, voice and data transmission products is pleased to announce the addition of T.H. Grogan & Associates (www.thgrogan.com) to its growing team of manufacturer's representatives. T.H. Grogan & Associates will be responsible for promoting and selling Meridian Technologies' fiber optic transmission products in the New England and upstate NY areas.

With headquarters in Acton, MA, T.H. Grogan & Associates has extensive experience in the security and Pro AV systems' industry and has product lines synergistic with Meridian's penetration into these markets. "Grogan & Associates was selected because of their experience, diversity and extensive line of products that complement Meridian's technology and customer base" states Vic Milani, Meridian's Executive Vice President. Vic continues, "(T.H.) Grogan brings a broad breadth of experience and customer relations that will provide us (Meridian) with the ability to expand our penetration in these markets in the Northeast. We are very pleased to add Grogan to our team and look forward to a very successful relationship".

T.H. Grogan & Associates represents an impressive line of companies and products. Adding Meridian Technologies' line of fiber transmission products helps complete their ability to offer a comprehensive range of products and transmission systems and expose Meridian to a wider range of customers and opportunities.
