Meridian Technologies launches its new manufacturer's representative network with the signing of Rupper Associates.

Elmont, NY, September 7th, 2010 – Meridian Technologies, a premier manufacturer of fiber optic video, voice and data transmission products is pleased to announce the addition of Rupper Associates (www.rupperassociates.com) to its growing team of manufacturer's representatives. Rupper Associates will be responsible for promoting and selling Meridian Technologies' fiber optic transmission products in the Metro NY, Long Island, Eastern PA and New Jersey areas.

With offices in NY and NJ, Rupper Associates has over 25 years of experience in the security systems' industry and is ideally suited to promote the Meridian fiber optic product line. "Rupper Associates was selected because of their experience and extensive line of security products that complement Meridian's technology and customer base. Their years of experience in product promotion, system design and customer support make them an ideal partner for Meridian as we continue to expand our reach in the security and other related markets" states Vic Milani, Meridian's Exec Vice President.

Rupper Associates represents an impressive line of companies and products. Adding Meridian Technologies' line of fiber transmission products helps complete their ability to offer a comprehensive range of products and transmission systems and expose Meridian to a wider range of customers and opportunities.
