Meridian's new [ST/SR-AiphoneLEF](#) series fiber products support the Aiphone LEF & LEM series systems giving you transmission distances and performance quality never imagined possible. With an optional digitally-encoded video channel over the same fiber ([ST/SR-AiphoneLEFV](#)), this product series is the most versatile in the industry. For more information on this and other Aiphone compatible products, visit our website at <http://www.meridian-tech.com/products/product-family/aiphone>
